

Royal Enfield Himalayan Base Camp Expedition 2026 (for Domestic Customers)

📍 Ladakh, India

Expedition Date: 31 August - 15 September 2026

The [Royal Enfield Himalayan Base Camp Expedition 2026](#) is a professionally guided **16-day Ladakh motorcycle tour** that combines the thrill of high-altitude adventure with the unforgettable experience of participating in the **Official Royal Enfield Himalayan Base Camp**.

Some motorcycle rides are measured in kilometres.

Others are measured in memories.

Starting from Delhi, you'll ride over **3,300 kilometres** through the spectacular Himalayas, crossing legendary mountain passes, exploring ancient monasteries, camping beside the world-famous Pangong Lake, discovering the remote village of Turtuk, witnessing the untouched beauty of Hanle, and riding to the breathtaking Tso Moriri Lake.

Unlike ordinary Ladakh bike trips, this expedition has been carefully designed to balance adventure, rider safety, and comfort. Every riding day is planned to minimize fatigue while maximizing your time on some of India's most scenic mountain roads.

With a dedicated Ride Captain, experienced mechanic, backup vehicle, medical assistance, and oxygen support accompanying the group throughout the journey, you can focus entirely on enjoying the ride while we handle every logistical detail.

Whether you're planning your **first Leh Ladakh motorcycle tour** or adding another Himalayan expedition to your riding journey, this is an experience built for passionate riders who want something truly extraordinary.

Expedition Pricing:

Choose the option that best suits your riding plans.

Option 1 - Ride on Our Royal Enfield Motorcycle

Single Rider: ₹1,49,999

Includes a well-maintained Royal Enfield motorcycle, fuel, accommodation, meals, permits, support crew, backup vehicle, and all expedition inclusions.
